

NSM Scholarships, need-based

Due to the generosity of our donors, need-based financial assistance is available through the Nicholas Van Slyck Scholarship Fund. **Scholarship awards are made on a first-come-first-serve basis throughout the year**, and are awarded to cover a percentage of tuition fees on a sliding basis determined by income, family size, and other individual circumstances. There are no application deadlines, but funds are limited and early applicants receive greater consideration. All applications must include complete copies of the most recent year's tax return filings and additional income verification as applicable.

If you have any questions, please stop by our office, call 617-492-8105 or email us at info@newschoolofmusic.org.

Please drop off or mail completed application materials to:

**New School of Music
