During COVID-19 the need is greater than ever and you can help!

In the era of COVID-19, East End House is launching both a virtual and traditional school supply drive to ensure all under-resourced and vulnerable children in the community will have the necessary school supplies in September and beyond whether learning in the classroom or at home. Families should not have to decide between securing basic needs and ensuring their children are equipped with the necessary supplies for school.

**Traditional Drive**
Traditional donation drop-off locations in the community are available at East End House and CambridgeSide.

**Virtual Drive**
You can easily make online donations at Back to School Drive 2020.

100% of all proceeds will go to eligible under-resourced children and families from Cambridge and Somerville, and adjacent neighborhoods.

At East End House we want every child to be prepared for school. We help students develop healthy lifestyles, along with academic and social-emotional skills that are essential for classroom learning. However, sometimes one's ability to succeed depends on simple, physical items like backpacks, pencils, notebooks, and other school supplies.
