## Inside Out 2

**Inside Out 2 (2024)** – This animated feature is a sequel to *Inside Out* (2015). The main character, Riley, is now thirteen years old and experiencing brand new, more complex emotions as a result. As Riley tries to adapt to her teenage years, her old emotions try to adapt to the possibility of being replaced. This movie offers an interesting way to approach topics around anxiety, depression and other mental health related issues.

Rated PG - 2024 · Family/Comedy · 1h 36m
