

Ethiopian Hour

Tuesday, August 12 and 26,
10:00 – 11:30am

Every other Tuesday Yemi Kibret of CEOC will lead the Ethiopian Elders Group. This group provides support and resources for fellow Ethiopians in our community. Whether it's English classes during school season, there is knitting and crochet or an interpreter for yoga classes. We offer a listening ear and share valuable advice. This group is here to uplift and empower.hour

This program is for ages 60 years and older.
