Senior Home Improvement Education Mini-Series

Thursday, March 5 and 26, 2026

10 - 11 a.m.

Join Jen Jonassaint from Homeowners Rehab Inc., HRI, Home Improvement Program, HIP for a Senior Home Improvement Education mini-series. Each session last 60 minutes on the first and fourth Thursday of each month.

Session topics includes how to improve your home on a budget, tips, and time for Questions and Answers. Drop in to learn how to safely age in place in the home you live in and love.

Home Improvement Program Topics

1. How to find low or no-cost DIY ideas to maintain your home
2. How to know if my home is fit; safe, and smart to help me age in place
3. How to set up my annual home maintenance schedule
4. How to interview and vet safe and skilled contractors to prevent scams for success
5. How to look for and shop for quality home products that last
6. How to create a financial future home needs assessment (CNA)
7. Find smart ways to spend less on your home improvements
8. If I am disabled, where do I find affordable financing to modify my home
9. How to know how long my HVAC systems will last
10. How to prep my home for each season to prevent issues; mold, poor air quality, and more

This program is for Cambridge Homeowners ages 60 years and older.
