Technology Help Sessions and Skills Workshops

We hold workshops on topics that matter to you most, like how to protect yourself, build skills, and be more social online.

Join us for our Workshop on TikTok for Beginners!

Thursday February 12th 10:00AM-11:00AM

The Arts & Crafts Room at the Cambridge Senior Center

806 Massachusetts Avenue

You've heard about it, now you can learn how to watch and make videos on TikTok! Bring your devices so we can help you get it set up so you can make your first video!

Open to all skill levels!

Questions? Contact program manager Colin Barr at colin.barr@eldercare.org or 617-628-2601 ext. 1007.
