

Do you have a vision for your family's future, but need some support in getting there?

Do you want to build your family's savings and financial security?

Join Families Moving Forward!

This free program includes:

- a personal coach helping you with your vision for your family, working around your schedule
- savings and financial incentives as you accomplish steps towards your goals
- connections to any services you need
- the support of other families in the program

You're eligible to join if you are:

- low-income
- a Cambridge resident
- a parent or guardian with children under 18

No immigration documentation is required, and some interpretation will be available to participants as needed.

Applications are open on May 18, 2020. Please contact Tessa Byer, Program Manager, with any questions or for more assistance!
