

iFp Studios Internship 2020-21

Teen-Powered Design & Innovation

Dream, design and build experiences that will look amazing on your college applications. Learn about amazing careers never imagined. Discover how your passions intersects with these opportunities and get paid for it!

Innovators for Purpose is accepting applicants for its **iFp Studios Internship** program. In the Studio, teens work with designers, technologists, makers and other professionals to produce fresh youth inspired solutions to real problems for real clients.

Using iFp's integrated creative problem solving process that blends art, design and technology, teens learn to routinely bring new-to-the-world ideas to life.

Most recent projects combine youth-voice, creativity and emerging technologies to bring awareness to social issues such as diversity, equity and systemic racism.
