

Become a Community-Based Mentoring Big Sister

In this program, you and your Little Sister will decide where and when to meet and what activities to do together. You'll have the guidance of your Match Support Specialist to help you navigate the relationship and get ideas for activities.

¿Hablas español? ¡Avísanos! Nuestras familias que hablan español están esperando.

Our Big Sisters:

- Are women who are 20 years or older
- Will be matched with a girl age 7 - 15
- Make a commitment to at least 12 months in the program, with visits of 3 - 4 hours each week for the first three months, then bi-weekly after that
