

iFp Studios Internship

Teen-Powered Design & Innovation Studio

NOW HIRING

Dream, design and build experiences that will look incredible on your college applications. Learn about amazing careers never imagined. Discover how your passions intersect with these opportunities and get ***paid for it!*** Innovators for Purpose (iFp) is looking for creative innovators ages 14-18.

Join our collective of aspiring teenage creatives, technologists and change agents

whose reason for being is to make a difference in their communities and ultimately, the world. Our flagship program, iFp

Studios is organized as a teen-powered design and innovation studio. iFp Teens learn to use creative technologies such as augmented reality, web and app design, 2D/3D animation, motion graphics and more to build experiences that advance social justice and spark positive change.
