Tuition-Free Training

Receive hands-on learning and mentorship to prepare for the job, industry-recognized certifications (paid for by us), and your career.

Dedicated Career Coaches + Learner Support

20% of our curriculum focuses on Professional Development with opportunities for mock interviews, resume refreshes, and other Job Search prep support with opportunities for one-on-one coaching now and after you graduate.

Our learners also work with the Learner Support team to gain financial control and design success plans for personal goals, wellness and more.

Job Connections

Learners are connected to a network of 20k+ alumni and 850+ employer partners across the country.

"Even though it was a little challenging, I overcame that and I was able to finish and graduate because of the instructors and learners that gave me a lot of encouragement."

Akida Harris, IT Support

Per Scholas Greater Boston Alumna

850+ Employer Partners
